### THE WORKSHOP STRUCTURE

- Three hour pre-trip meeting of the minds — trip planning and journal tips session (in December 2013)
- 12 nights at the Retreat Center, arriving 4pm Wednesday, Feb. 5th and departing Monday, Feb. 17 — 6 workshop days and 6 free days
- Dinner 1st night by Linda and René

Our home will be a luxurious Retreat Center, complete with a lanai (covered veranda) where we'll hold our lessons. Amenities include a 7-person hot tub for relaxing at the end of the day.

## \$1,500 INCLUDES

- Lodging for 12 nights at the Retreat Center (shared room)
- Workshop fee

It does not include: Airfare / Meals / Auto (rental can be shared)

Cooking is part of the experience, as we will form rotating teams of cooks and prepare evening meals in the well-equipped kitchen, using local produce. On days you aren't cooking you'll be free to kick back in the evenings. Or opt for restaurant dining on your own, if preferred.

I am looking to form a workshop that will be cohesive yet diverse. The idea is to have a group that will work and play well together.

Regarding airfare... Panorama Travel is looking into group fare and can help you book your flight. 503-682-6800

If there are openings, a \$500 deposit will save your spot and we can set a payment plan for the balance. Let us know as soon as you can. We recommend getting trip insurance when you purchase airline tickets, just in case something happens. It's worth the peace of mind, as the deposit and other fees are nonrefundable. If you have to cancel and we have a replacement, your funds will be returned.
